Norwegian Elkhound Notes 14th June 2026

Only short notes this week as there isn't much news. Today was Hound Day at Border Union. So sad to lose this show from our CC list when it was so popular. We don't now even have classes. I could only find one Elkhound listed in AVNSC Hound and that was Karen and Alan Gold's Ch Graythor at The Venetian with Llassah who not only won the Open dog class but was also best overall AVNSC Hound Dog. Well done, not only on winning but on supporting the show.

Last week Seasara got several mentions among the winners which happened again this week. Making a trip over to Ireland for the FCI Show at Banbridge All breed National CH Show was Sarah McMahon who won Green Start Bitch and BOB with Frigg Pride of North via Seasara and Puppy Bitch with Seasara Kerfuffle. The Judge was Mr V Stiklius.

A date for your diary now. An Elkhound walk is planned for those in the East of England at 11am on 5th July at Ferry meadows country park. The notice says "Come and join us for a pack walk and some cake at the cafe after! Will obviously keep an eye on the weather in case we have a heatwave again!"

You can find details on Facebook https://www.facebook.com/groups/elkhounds/events Walks are often arranged in various areas so keep an eye on that page.

Next week is Blackpool; another show without CCs. Hounds are on Saturday. Our judge is Mr Tom Mather. We only have 9 entries of 5 dogs and 4 bitches. It's a strange weather forecast for next week and no gazebos or tents are allowed and no seating provided so keep an eye on the weather. We've had a couple of weeks of intermittent rain but Monday is due to be sunny and dry so the rest of the week is anyone's guess.

Top Dog so far in the breed, announced in Our Dogs, is Ch/AmCh Kamgaard Klementina.
