For this special anniversary event (30 years) we would welcome a photograph (jpg. format) that you love of your dog (show poses not necessary) that can be included within the catalogue of entries this time. Please use the box below to add a few words about your dog that you would be happy to have read out. You can include their achievements but also something that makes them special to you.

**Example:** “ Fido has won multiple classes this year but also passed their bronze good citizen while still managing to enjoy their daily frolic around the fields and barking at the wind and leaving tumbleweed of hair around the house. Wouldn't change them for the world”

As you know we all take the best dog home.

A large, empty rectangular box with a thin black border, intended for the user to write a short paragraph about their dog. The box is currently blank.

**Please ensure your writing is legible!**
